

Foothill College
Kinesiology and Athletics Division
Division Curriculum Committee Meeting
September 3, 2020 9:00-9:45am

Meeting Minutes:

- Discussion about the creation of 2 Certificates of Achievement for Sports Medicine.
 - 1) Introduction to Sports Medicine: 14-15 units
 - 2) Advanced Sports Medicine: 24-27 units

Our divisional curriculum committee support and approve these two certificates and feel they are an important step in quantifying the success of the sports medicine program as well as important for our students to earn certificates in their educational paths to gain access to different jobs in the this area.

- DE Addendums for PHED classes were approved. This included approx. 40 classes that were approved by our division to be taught either online or hybrid.
