Minutes:

The meeting started with a discussion on Meta Majors. Katy shared her screen showing model A and B. Katy pointed out the differences and after discussion everyone in attendance prefers model B.

Next was the discussion of the student letter that was sent to Foothill College Administration about concerns having to do with COVID. Katy shared her screen and there was a discussion about the content and a suggestion that we all read it more thoroughly to familiarize ourselves with how the students are feeling.

Don provided a list of classes that need DL approval. After a discussion, the following courses were approved:

KINS 8A and 8B
KINS 53

Approved by email vote:

PHED 22B
KINS 10
