

FOOTHILL COLLEGE DIAGNOSTIC MEDICAL SONOGRAPHY PROGRAM APPLICATION

NAME: _____
Last _____ First _____ Middle _____Foothill Student **CWID Number (required):** _____
If you don't have a FH ID number, you will need to register at: <https://foothill.edu/reg>
There is no cost involved to register for the college.Please list any other name(s) by which you have been known:

Address _____ City _____ State _____ Zip _____

Home Phone _____ Cell Phone _____

Valid Email Address: _____

Have you previously applied to the Foothill College Diagnostic Medical Sonography Program? Yes _____ No _____

Indicate year(s) of previous applications: _____

Have you previously attended any Diagnostic Medical Sonography Program? Yes _____ No _____

If yes, list the school and the reason you left the program: School Name: _____

Reason: _____

PRIOR EDUCATION

High School from which you graduated: _____ Year: _____

Please list the name, starting and ending dates, and any degrees or certificates, for all colleges, universities, technical and vocational schools attended. You must include colleges in which courses were attempted although they may not have been completed: **Do not leave this area blank.**

	Name Of School	City and State	Dates Attended	Degree/s Received

FOOTHILL COLLEGE DIAGNOSTIC MEDICAL SONOGRAPHY WORKSHEET

PREREQUISITE COURSES MUST BE COMPLETED WITH A "C" GRADE OR HIGHER: (Please provide complete information in each category)

*All prerequisites and coursework must be completed, prior to applying. Complete this form using information exactly as it appears on your official transcript.

	Course Completed (Ex: MATH 49)	College	Semester or Quarter Units?	Year Earned	Grade	Yes / No
Accredited U.S. Allied Health Program with direct patient care (of 2 or more years)						
Or BS degree in Science w/ preferred direct patient care experience. Ex. Reg Nurse, Kinesiology, Veterinary Technology or Biological Sciences from an accredited institution in the United States						
Anatomy/ Physiology with labs (BIOL 40A), or a semester of Anatomy and a semester of Physiology						
Anatomy/ Physiology with labs (BIOL 40B), or a semester of Anatomy and a semester of Physiology						
Anatomy/ Physiology with labs (BIOL 40C), or a semester of Anatomy and a semester of Physiology						
College General Physics (Radiology Physics is acceptable) Physics 2A (or equivalent)						
Intermediate Algebra or higher level college math or placement test - if <u>using HS AP score of 3 or higher, test results must be attached.</u>						
English 1, 1H, 1S & 1T (Composition & Reading) or equivalent - Completed with a grade of "C" or higher						
AHS 52 or AHS 200 or ANY Medical Terminology course 3 quarter units, or 2 semester units or more, with a grade of "C" or higher.						
College Cumulative GPA 2.5 or above (List GPA) Minimum Cumulative Science GPA of 2.5 or higher. - (Anatomy/ Physiology and Physics)	Yes <u> </u>	No <u> </u>				

Have you completed the above prerequisites? **Yes** **No** (You must complete them before starting the program)

Are you interested in receiving ONLY the certificate in Diagnostic Medical Sonography? **Yes** **No**

(If no, you must meet the General Education requirements listed below, prior to graduation, to be eligible to receive an Associate's Degree in Diagnostic Medical Sonography.)

GENERAL EDUCATION REQUIREMENTS

All General Education courses must be completed to earn the Associate of Science degree in Diagnostic Medical Sonography. General Education courses are not required to sit for the Abdomen (AB), Obstetrics Gynecology (OB/Gyn), and Sonography Principles and Instrumentation (SPI), which are required to obtain the American Registry Diagnostic Medical Sonography (ARDMS) credential. The ARDMS is required for licensure in California. Due to the rigorous course load during the Diagnostic Medical Sonography Program, it is **strongly recommended** that all applicants seeking the AS degree, complete their General Education courses prior to beginning the program.

There are 4 ways to satisfy the General Education Requirements, **choose one only:**

1. AA or AS from a California community college (GE waived). (**Move on to the next page.**)
2. BA or BS Degree from an accredited U.S. College or University (GE waived). (**Move on to the next page.**)
3. You do not have a college degree as listed above, but you have completed all GE courses (attach CA Community College General Education completion certification from the college where you completed the coursework). (**Move on to the next page.**)
4. You have not completed a college degree, but you have completed the following GE courses:

If you indicated number 4 above, you must fill in the table below with the GE coursework you have completed to date or is in progress. Please provide complete information in each category. See Foothill College Catalog & Diagnostic Medical Sonography Curriculum Sheet for help.

If you indicated numbers 1, 2, or 3 above, leave this area blank and continue on to the next page.

General Education Associate Degree & Other Required Courses:	Course #	College	Sem/Qtr	Year (YY)	Units	Grade
AREA 1A – ENGLISH COMPOSITION						
AREA 1B – ORAL COMMUNICATION AND CRITICAL THINKING						
AREA 2 – MATHEMATICAL CONCEPTS & QUANTITATIVE REASONING						
AREA 3 – ARTS & HUMANITIES						
AREA 4 - SOCIAL AND BEHAVIORAL SCIENCES						
AREA 5 - NATURAL SCIENCES						
AREA 6 – ETHNIC STUDIES						
AREA 7 - LIFELONG LEARNING (HLTH 21 recommended)						

ALLIED HEALTH EDUCATION: There are different ways to satisfy the prerequisite Allied Health Program requirement as well as the GE requirements. See Foothill College Catalog & DMS Program Curriculum Sheet for additional information about general education requirements for the degree offering.

Please check **one** of the following four descriptions, which best describes your background.

1.	AA or AS in an Allied Health Profession*	Ex. AS degree Radiology Technology, Registered Nurse, Respiratory Therapy Programs, etc. Must have direct patient care.
	List College Name & City/State	Degree Title & Year granted
2.	BA or BS* in an Allied Health Profession (GE is Waived) or similar educational process taught in English with 1+ years full-time clinical experience in sonography.	Ex. BA, BS degree Radiology Technology, Registered Nurse, Respiratory Therapy Programs, etc. Must have direct patient care. Or BA, BS with direct patient care experience such as but not limited to Primary Care, Veterinary Technology, or similar.
	List College Name & City/State	Degree Title & Year granted
3.	AA, AS, BA and/ or BS & Plus Certificate of Completion	Ex. College Degree plus Certificate in 2 year or more Radiology Technology, Registered Nurse, Respiratory Therapy Programs, etc. Must have direct patient care.
	List College Name & City/State and Name, City & State of Certificate	Degree Title & Years granted
4.	Certificate of Completion from a qualified accredited two year Allied Health Program in the U.S.	Ex. 2 year hospital based Radiology Technology, Registered Nurse, Respiratory Therapy Programs, etc. Must have direct patient care.
	List College Name & City/State	Degree Title & Year granted

WORK EXPERIENCE: Paid/volunteer work in which you have been involved during the past 5 years. List most recent first.

Name & Address Phone	Position/ Title	Paid or volunteer	Part-time or full-time + Hrs/week	Beginning and ending dates of employment	*FTE: Length of employment yrs/mos
For example: Mt Olympus Hosp. 12 Everest St. San Jose, CA 95602 408 295-4932	Radiology Technologist	Paid work	Part-time: 20 hrs per week	Jan. 1, 2006 – March 1, 2014	7 years 2 months

* Full time equivalent (FTE) is equal to 2,080 hours per year.

TECHNICAL STANDARDS FOR THE FOOTHILL COLLEGE

DIAGNOSTIC MEDICAL SONOGRAPHY PROGRAM

The field of Diagnostic Medical Sonography is physically, mentally, and emotionally challenging. In the interest of your personal safety, the safety of your patients, coworkers, and the potential liability to the college, there are significant requirements that must be met before your admission to the program is finalized. All students must meet the essential skills and technical standards to perform functions required in the diagnostic medical sonography program and profession. Please read this form carefully and check each technical issue standard if you can comply with the standard.

The technical standards for admission identify the physical, mental, and emotional capabilities and abilities considered essential for students admitted to the Diagnostic Medical Sonography Program in order to achieve the level of competency required for completion/graduation and practice. These standards include the minimum tasks performed by graduates of the program as recommended by the Society of Diagnostic Medical Sonography. All students admitted to the DMS Program are expected to be able to demonstrate the abilities specified below.

Issue	Description	Standard	Examples of necessary action	✓
Hearing	Use of auditory sense	Auditory ability sufficient to monitor & assess patient health needs.	Ability to hear & verbally respond to patient questions & directions from instructors, students, staff in person or over the phone, hear blood pressure. To react quickly in emergencies. Ability to hear and distinguish the various audible sounds during the performance of the examination.	
Visual	Use of sight	Visual ability sufficient for observation & assessment necessary to provide patient care.	Perform the required procedures, chart identification & recording, equipment function keys & technique, sterilization. View, evaluate, read reports, image data. Interpret medical images, techniques & quality. Able to see the range of shades of gray and colors. Assess for technical quality and identification of pathology.	
Tactile	Use of touch	Tactile ability sufficient for physical assessment and restraint, operation of instruments & equipment.	Perform the required techniques in the acquisition of images using transducers, examination of the body. Use of sterile equipment.	
Mobility and strength	Physical ability, strength & stamina	Physical abilities & stamina sufficient to perform required functions of diagnostic care.	Lift, carry or move objects weighing up to 45 pounds. Move objects up to 500 lbs. Stand, rotate, push, pull, sit, bend, flex, squat & torso. Reach to or above shoulder level. Able to transport patients in wheelchairs, gurney's/stretchers.	
Motor skills	Physical ability, coordination, dexterity	Gross & fine motor abilities sufficient to provide safe & effective patient care.	Execute hand and finger motor movements required to safely perform diagnostic medical sonography services. Perform sonography examinations and procedures according to established standards	
Communication	Speech, reading, writing. Effective use of English language. Communication abilities sufficient for effective interaction in verbal, nonverbal, and written form	Comprehension & accurate recall of verbal & written communication. Interaction with clients, families, students, instructors, physicians & staff. Effectively understanding verbal & nonverbal behavior.	Concisely & precise explanation of examinations and procedures. Interpret patient's response, documentation following ethical & legal guidelines. Follow directions effectively. Interaction with patients, families, students, instructors, staff, physicians. Able to provide written and oral summary of technical findings to the physician.	
Interpersonal	Ability to relate to others. Personal responsibility, honesty, integrity,	Abilities sufficient to effectively interact with clients, families, groups & colleagues from a	Establish rapport with patients, families, staff, physicians, instructors, and colleagues. Identify needs of others. Has the ability to plan and implement quality	

	ethical behavior, trustworthy, and professional.	variety of social, emotional, cultural, intellectual & economic backgrounds. Identify needs of others.	patient care, to assimilate, learn, analyze large amounts of complex technical, and detailed information. Can follow directions effectively. Can be compassionate with the sick and injured.	
Behavioral	Emotional & mental stability	Functions effectively under stress. Maintains composure & emotional stability during periods of high stress.	Flexible, concern for others. Ability to provide safe environment with multiple interruptions, noise, distractions, unexpected patient needs, stressful situations, emergencies situations.	
Organizational Skills	Ability to organize	Organized methodology and procedures.	Able to organize and accurately perform the individual steps during an examination or a procedure in the proper sequence.	
Critical thinking	Ability to problem solve	Critical thinking ability sufficient for clinical judgment.	Identify cause-effect relationships in clinical situations, develop technical skills using critical thinking and established protocols. Respond to situations requiring basic first aid, nursing, and emergency care of the patient. Sufficient academic skills for conceptualization, prolonged concentration, memory, including recall and implementation. Must be able to view the recorded images for the purpose of identifying proper protocol, procedural sequencing, technical qualities and identification of pathophysiology and to perform sonographic examinations and procedures according to established standards.	
Working environment	Adaptable to variety of working conditions, exposure to potential health hazards	Conditions may require a versatile adaptation to varying environments.	Exposure to loud noise, odors, invasive (bloody) medical, surgical and diagnostic procedures, sharp objects, hazardous chemicals, compressed gasses, pharmaceuticals (including controlled substances), radiation and biohazards during the routine practice of diagnostic care. Work closely with members of the health care community.	

DIAGNOSTIC MEDICAL SONOGRAPHY APPLICATION CHECKLIST

✓	<p>Please make a [Symbol] or attach the documents in the available box/es to insure you have completed everything in your application.</p> <p>Note: the documents you upload must be PDF files.</p>
	<p>I fully read the Diagnostic Medical Sonography Online Application Information and Instructions before applying. (Required)</p>
	<p>I accurately filled the Diagnostic Medical Sonography Online Application. (Required)</p>
	<p>I am able to comply with the technical standards and I understand that failure to perform any of these standards may be cause for action by the program in accordance with the policies and procedures of the Diagnostic Medical Sonography Student Program, including dismissal. (Required)</p>
	<p>I've ordered official electronic transcripts from all colleges and universities attended. The transcripts should be sent directly to Foothill College Admissions and Records. (Required)</p> <p>Note: You don't have to order Foothill and De Anza college transcripts. If your college does not offer official electronic transcripts, please order official transcripts and have them mailed directly to Foothill College Admissions and Records.</p>
	<p>Upload current Direct Patient Care Experience (DPCE) Form (required) Important: Applications submitted without the required DPC& form in this section will be disqualified.</p> <p>Additional supporting documents (optional)</p>

Please review your application thoroughly, before signing it.

Signing the application will submit your application.

To submit your application, please sign it. Changes cannot be made after you have signed the application. Applicants may submit one application per year. Please review your application thoroughly, for accuracy. This is very important.

You will be emailed a copy of the application, for your records. Please review the email you have provided.

My signature verifies the accuracy of my application:
