

Governance Structure

Simple? (structure, purview)

- Clear/transparent as to why certain topics are coming in and what's happening to decisions being made
- People understand how all interact with each other
- Simple in structure → no 18 legs to the octopus
 - Not tactical
 - Oversight for college to ensure fulfilling mission

One Council?

- Workgroups and committees reporting to council
 - Carry out operational?
- Role based membership?
- Representation—what does it mean?

Mission

- Empowerment
- Tools (degrees/educational...)
- Maintain a democratic society via education/community/...
- Prepare students to become (voters, leaders, teachers, parents, global citizens)
- Confer degrees/certs
- Equity in student outcomes (ensuring)
 - Why are you at Foothill?
 - Get an education
 - Learn work ethic
 - Lead and serve
 - Grow
 - Get a job
 - To transfer

Leadership:

- Those serving on councils should exhibit leadership behaviors
 - Responsible to community you serve/rep, especially most vulnerable
 - Whole community is your constituency
- Acknowledge constituent direction when voting
 - Be informed by → serving whole college

Things this group does

- Oversight of college mission
- Guiding Principles/Visionary Statements

Membership- Voting?

Q: Administrators/managers as constituents??

Issue→ Admin is in a role, not representing administrators, representing functional role

Given:

- Rep(s) from ASFC, Classified Senate, Academic Senate
- College President—facilitator (essential to have synergy, energy & relationship with the group). Should be making decisions together
- Exception of emergencies

Other? Voting or non-voting? Ex-officio??

- Unions?? ACE, FA, Teamsters, SEIU?, CSEA?, AMA?
- Expertise? Agenda-specific? Resource/ad-hoc
 - IR-ongoing resource (ex-officio)

CTE

Equity (with SLOs in here)?

Empowerment (service leadership tactic?)

Community (broaden service area, outreach, community partners, community education)

Access to education

Question: Do we think these 6 things represent why Foothill exists?
