# IEC's Charge: Why IEC Exists

- The Institutional Effectiveness Committee serves to promote ongoing and continuous improvement through the evaluation and assessment of college processes that supports the mission and advance institutional quality.

# IEC's Purpose: What IEC Does

- Focus on continuous improvement efforts that drive the college mission
  - Facilitate college-level discussions about institutional improvement efforts
  - Support assessment and evaluations of institutional plans and initiatives for effectiveness
- Make recommendations to MIPC

# For MIPC's Consideration

- The IEC is providing recommendations about:
  - Technology Committee
  - Governance Evaluation

# Technology Committee

# IEC's Scope of Work, 2024-25

- Sunshine institutional-level planning documents

# Technology Plan Overview

- Current Plan Timeline: 2022-25
- Approved by consensus: Jun 21 2024
- MIPC discussion:
  - Include faculty and classified staff
  - Integration of tech requests with program review
- IEC presentation: Feb 12 2025

# Clarification Needed

- Membership
  - What is the representation?
  - Which positions should serve?
- Process
  - What is the work flow?
  - What is the reporting structure?

# Tech Committee Recommendations

	Current	IEC Proposal
<b>Membership</b>	Tri-chair model	MIPC assign additional membership to ensure appropriate representation (e.g. Faculty Supporting Faculty)
<b>Oversight</b>	Dean-level oversight	MIPC assigns VP-level oversight
<b>Decision-Making Process</b>	Tech Tools Decision-Making chart viewed by MIPC 10/18/24	Tech Tools Decision-Making chart should be revised and return to MIPC for approval  Include Classified Senate in decision-making  Clarify functions of committees/workgroups

# Tech Committee Recommendations

	Current	IEC Proposal
<b>Membership</b>	Tri-chair model	MIPC assign additional membership to ensure appropriate representation (e.g. Faculty Supporting Faculty)
<b>Oversight</b>	Dean-level oversight	MIPC assigns VP-level oversight
<b>Decision-Making Process</b>	Tech Tools Decision-Making chart viewed by MIPC 10/18/24	<p>Tech Tools Decision-Making chart should be revised and return to MIPC for approval</p> <p>Include Classified Senate in decision-making</p> <p>Clarify functions of committees/workgroups</p>
