

**Foothill College
Program Review Committee (PRC)
Feedback Spring 2018**

Thank you for your time and effort in completing the Comprehensive Program Review this year. We know it is a lot of work but we hope it has been helpful. Thank you for your ongoing efforts to improve on behalf of our students. The program review process allows others throughout the college to learn about your work and how it supports the college mission, educational master plan, and equity goals.

The Program Review Committee (PRC) recognizes your comprehensive program review was drafted in the Fall of 2017, prior to the College's pivot to a productivity model. Nevertheless, program viability and productivity are closely linked and the PRC did consider this a factor in the overall rating of your program.

The PRC read and discussed each Comprehensive Program Review during a series of meetings in Winter 2018. The committee's feedback is outlined below. Please note that PRC would be happy to meet with any department or program if there are any questions/concerns.

DEPARTMENT/PROGRAM: Library

COMMENDATIONS & STRENGTHS:

- PRC commends the department for its thorough analysis of the data.
- PRC commends the department for its vision in hiring an equity librarian to bring a broader cross-section of students to the Library.

SUGGESTIONS FOR IMPROVEMENT:

- PRC suggests the department continue to experiment with different methods of assessment. The surveys appear to only capture feedback from a small percentage of students.
- PRC suggests the department continue outreach to different groups on campus to broaden the student population utilizing the library.
