

Back on Track!

Greetings Foothill Family,

It feels really good to write this communiqué to you. Out of respect to our faculty, I purposely did not send out college-wide President's Communiqués during the work-to-contract period. It feels good to be back on track!

Just one more week...cannot wait to celebrate a milestone for our college. This 60th Anniversary Year commencement will be historical, as the first baccalaureate degrees will be conferred upon our inaugural class of Dental Hygiene students. This year, we also anticipate conferring over 1,800 degrees and certificates — a record high for our college! And to start a tradition, I have invited elected council members from our service area to join me and our trustees at commencement.

Check out the Fusion report for latest information about PaRC's program and budget discussions. These past five weeks have been challenging for our college and our district. There's so much I wanted to write during that period (and I will do so in a later President's Communiqué).

For now, let's bring the Foothill family back together. Come and celebrate the end-of-the-year and give a send-off to our retirees! Be prepared for karaoke. What year did you start at Foothill College? Wear clothing from that decade! If you have a favorite retiree you want to honor, find out what year they started at Foothill and wear clothing from that decade. Or, if you just have a favorite decade and want to express that, wear it!

There are only 2 rules:

- Have FUN

- No one can say “**budget**,” or else a \$5 fine/donation to go to the Service Leadership Foundation Fund!

Of Service,

Thuy
