RE: Educational Master Plan DRAFT Goals

---

Dear Colleagues,

On May 13, 2015, PaRC members attended an all-day Educational Master Plan (EMP) retreat. During the course of the day the group reviewed quantitative and qualitative data, discussed the needs of the college and its community, and drafted long-term goals. The next step in the EMP process involves the entire campus community reviewing and commenting on the draft goals, which are intended to serve the college for the next 5-8 years.

The draft goals may be found here:

[http://foothill.edu/president/parc/esmp/minutes/emp\\_goalsfeedback/emp\\_draftgoals.pdf](http://foothill.edu/president/parc/esmp/minutes/emp_goalsfeedback/emp_draftgoals.pdf)

Please read and reflect upon the goals and then share with us your feedback at the next **EMP Town Hall on Thursday, June 4<sup>th</sup>** from **12:00 – 1:00PM** in the **Toyon Room**. If you are unable to make the forum, you may submit your comments and suggestions online at:

<http://irp.fhda.edu/cgi-bin/rws5.pl?FORM=EMPinput>

On Wednesday, June 10, PaRC will meet to review the feedback and revise the goals appropriately. After pairing the list down, the college community will again have the opportunity to comment.

Thank you again for your participation in this important process. As a reminder, all EMP materials may be found online at:

<http://www.foothill.edu/president/parc/esmp.php>

If you have any questions, please ask any member of PaRC or consultants Dan Rosenberg (drosenberg@reimagineschool.com) or John Spevak (john.spevak@gmail.com).
