

## FOOTHILL COLLEGE:

## Faculty Request Division Summary Sheet

<b>Division:</b>	Biology & Health Sciences	<b>Date Submitted:</b>	2/16/12
<b>VP:</b>	John Mummert	<b>Division Dean:</b>	Phyllis Spragge

*Category: FTEF Hires for 2012-2013*

<b>Priority 1</b>	<b>Position:</b> <b>Brief rationale:</b>	EMTP (Paramedic Instructor/Program Director)  This position is essential for sustaining the current program accreditation, productivity of the program and to quality of education delivered to the EMTP students. The college must replace the one full time EMTP program faculty/director member in order to continue offering a paramedic program. A dedicated full time faculty member is required for the following reasons: (1) ensure continued regulatory and accreditation compliance. (2) protection of the District's investment in sophisticated medical equipment and EMS simulators, (3) applying and teaching the latest advances in pre-hospital emergency care for the most effective patient care, (4) evaluate the current curriculum, program policies and procedures to bring the program in compliance with all regulations & accreditation standards related to EMTP education (5) calibrate the lab instructors, proctors, and clinical instructors.
