21-22 Annual Progress Report

Recommended actions for improvement identified in the 5-Year Self-Study.

1. Hire full-time Humanities Faculty
2. Additional course development focused on indigenous and diasporic people.
3. Decrease seat-count from 50-35
4. Continued efforts on course re-design to include culturally relevant content for African American and Latinx students.

Actions taken and progress made in accomplishing the improvement.

1. Hired full-time faculty member, Dr. Mona Rawal, Fall 2021
2. Created two new courses for Fall 22: HUMN 10: On the Move: The Immigrant Experience in Literature, Film and Multimedia & HUMN 14: The Art of Peace: Narrative Representations of Pacifism
3. Pursued decrease in seat count by decided against it since we could not guarantee serving the same number of students

Evidence used to evaluate progress.

(ex: What data are you using to make your progress judgment?)

No data available yet for 1 & 2 above. Data not applicable for 3.

New trends, policies, or state initiatives that have impacted your actions for improvement.

We have received new information that might lead us to having the State of California approve a Transfer Degree in Humanities. We are actively pursuing this opportunity right now.

Actions needed/designed to address the area of work/improvement for new trends, policies, or state initiatives.

Having dropped the goal for seat count reduction on a departmental level, the Humanities Department is planning to pursue college funds to create a 'think tank for innovative pedagogy specific to the teaching of Humanities.' With 100% Humanities faculty participation, collective effort will develop targeted teaching strategies aimed at closing the achievement gap.

This form is completed and ready for acceptance.
