

RADIOLOGIC TECHNOLOGY PROGRAM APPLICATION INSTRUCTIONS

Application Deadline: March 1st by 11:59pm PST

Our Radiologic Technology Application is now available online. Please make sure to give yourself enough time to read through the instructions so that you are able to submit a complete application by the deadline.

Please follow the instructions below to ensure completion of your Radiologic Technology Application

Before you apply

1. Please visit the Radiologic Technology website and read the available information.

[Radiologic Technology Program Website](#) <-- click here

2. In order to apply to the Radiologic Technology Program, you must obtain a campus wide identification number (CWID). If you don't have a CWID, you may obtain one by submitting an application to Foothill College, at no cost to you. For more information on how to do this, please visit Foothill College Registration Website:

Application Requirements

3. Make sure you're ready and eligible to apply by reviewing all of the program prerequisites and requirements. Be sure to review the sample application to get a thorough understanding of what to expect once you open up your official application.

Required Documents: Please obtain the following documents

Official Electronic Transcripts (e-transcripts) from **ALL** colleges attended. If you have prerequisite coursework completed from Foothill College or De Anza College you must enter the coursework where appropriate on application. We can verify your successful completion of that coursework internally. Official Foothill College and/or De Anza College transcripts are not required.

Additional Documents: Please include the following required documents, if applicable:

- **RT200L Approved** petition (see **Prerequisites** for this exception)
- Documentation of completion of CSU or IGETC General education
- Math Placement Test result

Transcripts

All transcripts are due by the application deadline, March 1st. Transcripts from Foothill and De Anza colleges do not need to be ordered. If you applied previously, and we received all your college transcripts, you do not need to submit new official electronic transcripts to Foothill College Admissions & Records unless you have completed new coursework.

For all new students or previous applicants with new coursework, request college transcripts from the colleges you've attended. Typically, registrar offices or registration departments at the corresponding college will assist you with this. Please note that unofficial copies will not be accepted and may automatically disqualify you. **You must request that electronic transcripts or e-transcripts be sent to Foothill College Admissions and Records at: fhtranscripts@fhda.edu.** If your school doesn't offer this option, please mail official unsealed transcripts to:

Los Altos Hills, CA 94022

Please note that if you received an Associate's Degree from a California Community College and/or Bachelor's degree from a UC or CSU, completion of your General Education requirements will be waived. **Waiver does not include prerequisites.**

You will need to submit a Petition Form for equivalency through our counseling division if you have completed prerequisite coursework outside of Foothill College, and the coursework you have completed is **not** included in the RT Equivalency or FH Transfer Equivalency guides. If this is the case; please download the petition form, fill it out, include documentation supporting your petition, and make an appointment with a Foothill College counselor. The counselor will determine whether or not your course meets equivalency.

Please note: the deadline to petition **for RT200L** is Dec. 1st by noon. No petitions will be considered for RT200L after Dec. 1st, noon. Please contact Rachele Campbell at campbellrachele@fhda.edu regarding RT200L and to request the RT 200L Petition Form.
