Foothill Opportunities

Intro to Public Speaking Workshop

Tue, Apr 22
3:30 - 4:30 pm
Room 3600 & Zoom

Join us for an engaging workshop focused on enhancing your public speaking and presentation skills for both academic and non-academic settings. Learn how to organize your ideas, speak with confidence, and explore techniques used by powerful social justice leaders like Martin Luther King Jr. to inspire and move audiences—while staying rooted in purpose.

Foothill Club Day

Wed, Apr 23
12:00 - 2:00 pm
Library Quad

Clubs are the heartbeat of Foothill! Come meet members from over 50+ active clubs, learn how to join—or start your own—and enjoy Muslim-themed music and food in celebration of Muslim Heritage Month. Don't miss this chance to get involved and connect with the campus community!

Whats it Like? Exceptional Careers in Sports

Wed Apr 23
12:15 - 1:15 pm
[Sign up for Zoom](#)

Join us for a conversation with three professionals as they discuss their educational paths and careers in unique areas of the sports industry. Discover what it's like to work in fields such as sports analytics, athlete marketing and branding, and sports psychology. This is a great opportunity to explore behind-the-scenes roles in sports that often go unnoticed.

Ensuring Critical Thinking with AI

Fri, Apr 25
12:00 - 1:15 pm
Toyon Room 2020 & Zoom

As generative AI becomes a staple in education, how do we use it without losing our ability to think critically? This [workshop](#), led by Francesca Caparas, English Faculty at De Anza College and AI Faculty Innovator in Residence, will explore the cognitive impacts of AI and share practical strategies to maintain critical thinking while using emerging technologies. Learn how to engage with AI tools ethically and thoughtfully in both teaching and learning.

External Opportunities

Stanford | ENGINEERING
Aeronautics & Astronautics

Second Harvest Ideas Inspire Fellowship

Application Deadline: Wed, Apr 30

Passionate about fighting hunger and making a real impact? Apply for the [Ideas Inspire Fellowship](#), an 8-week, paid summer opportunity at Second Harvest of Silicon Valley in San Jose. Work 25–30 hours/week across departments like Programs & Services, Development, and Volunteer Engagement. You'll gain hands-on experience, build professional skills, and support a mission-driven team working to serve over 500,000 people each month.

[More Info](#)

Stanford AACRE: Summer Aerospace Research for Community College Students

Application Deadline: Sun, May 11

Interested in aerospace and engineering research? Stanford's 10-week, fully funded Aeronautics and Astronautics Community Research Experience ([AACRE](#)) offers community college students hands-on research, mentorship, and professional development. Work up to 40 hours/week at \$25/hour, gain real lab experience, and present your findings at a final symposium!

[Apply Here](#)

United Way Ideas Inspire Fellowship

Join [United Way Bay Area](#) as a part-time Ideas Inspire Fellow and help drive community impact across programs like housing justice, financial stability, and career access. This 6-month opportunity is open to current community college students and recent grads, offering hands-on experience in outreach, event planning, research, and nonprofit operations. With flexible start dates and a mission to end poverty in the Bay Area, this is your chance to make a real difference while building your professional skills.
