- ❖ **Descriptions for Certificates of Achievement** - Sample wording for Certificate of Achievement catalog descriptions is now available (attached). Although faculty have until March 2014 to complete these, please consider doing them sooner in order to better communicate the value of our certificates of achievement to our students.
- ❖ **Goodbye Carolyn** - After five years, this was Carolyn's last meeting as CCC-co chair! Please join us in thanking her for her incredible service to Foothill and her ongoing contributions to our students.
- ❖ **Hello Isaac** - Isaac Escoto, (Counseling Division), has graciously accepted the position of CCC Co-chair for 2013-14. Please lend him your support as he embarks on this adventure!

REMINDERS:

- ❖ **Transfer Degree Status:** The State Chancellor informed us in Nov 2012 that if we offer a local degree in any of the State-approved Transfer Model Curricula, we must develop and receive State approval for an Associate's Degree for Transfer no later than Fall 2014. There are currently 24 TMCs. We do not offer local degrees in 5 of these, already have approval for two (Psychology & Sociology), and have three applications in submission with the State. This leaves 14 remaining as "in progress" and it is imperative that discipline faculty in these areas work diligently to develop them - the deadline will sneak up quickly! We still have a considerable amount of work to do but we are well on our way.

The CCC Team would like to thank everyone for their contributions and continued hard work to support the best possible curriculum we can offer our students. Have a great summer!
