

# CCC COMMUNIQUÉ

OCTOBER 24, 2014

## NEWS & ANNOUNCEMENTS:

- ❖ **New Course Proposals:** The following proposal was presented at CCC. Please carefully review it and ask your Curr Rep if you're interested in more info. Contact your CCC rep and the faculty author(s) if you have questions or comments.  
BSS & BH-Nutrition & Society M. Bauermeister & C. Holcroft
- ❖ The draft for the **Foothill GE Requirements for 2014-15** was presented to the committee. Please check to make sure there are no deactivated courses on the list and that any courses that were approved this year are listed. Your Curr Reps have a copy of the draft.
- ❖ **Certificate of Achievement Residency Requirement:** After multiple discussions and feedback from the divisions, CCC has determined that we should require students to complete 50% of the required courses for these certificates in residence.
- ❖ **Lecture/Laboratory Activity Category:** District-wide conversation regarding faculty load led to a closer look at the Lecture/Laboratory activity category. After discussions and negotiations by the Lecture/Lab Task Force, both campuses will be eliminating the lecture/lab category for course activities. Moving forward, we will not use lecture/lab activity in any new courses. The Office of Instruction will provide direction in the near future as to how we will address correcting existing courses
