## REMINDERS:

- ❖ **Lecture and Laboratory Activity Types:** Remember that all new courses must use lecture or laboratory activity types as "lecture-lab" is no longer an option. The definitions of lecture and lab activities are available through your curriculum rep or FA rep. Along with the change in activity type, load may change in some departments and those changes will occur in Fall quarter. Changes to courses to remove lecture-lab activities should be completed by the Fall curriculum deadline (December 5th). Please remember to check with Articulation and/or Instruction to make sure the changes are not going to disrupt the transferability or articulation of your course(s).

## "WE NEED YOUR FEEDBACK!" ITEMS:
