

BSSCC minutes from 12/2/14 meeting

We passed ANTH 67 E & C but ask that the wording for objective G be changed from “explain” to “understand”

Also passed: ANTH 55, 56, 57; APSM 127

Several courses stuck in proof were to be moved forward to Instruction: Econ 9, 9H; PSYC 25; ACTG 64B; POLI 1

SOSC 20 is in proof with Jo Rogers as author. This course will need a Title V update by June of next year so it was left as is.

Some courses are in edit and should be acted upon by the respective course author: BUSI 84 – this course will be deleted; PSYCH 54H (Eta Lin); SOSC 79 (Patricia Gibbs)

In the Winter quarter (2015) we are going to have each department present to the BSS Curriculum Committee as to the courses and frequency of their course offerings. We will get a schedule out prior to the quarter along with an example spreadsheet from Econ which you can use as a template.
