1. Discussion of College-wide issues

Approaching accreditation

Hardly seems possible!

SLOs—movement toward including them on the COR?

Implications/complications around “freezing” them on a COR

How often should they be updated?

Division feedback required

Certificates

Joe: “Is State looking askance at these?”

Required rationale on Curriculum Sheets

Deactivating classes

Obligation to students to offer classes listed in the catalogue

Classes not offered in the last 12 quarters candidates for deactivation

2. Review of GE applications

COMM 60 Communication Theory and Practice with Aging Populations (Ni)

Discussion

Suggested revisions:

Needed action: language must match COR exactly

Suggested action: indicate section of origin on GE application

3. Concluding business

Kate and Hilary reported on the online learning conference

Need for new representatives

Simon and Robert will step down at the end of the spring quarter
