1:34 p.m. - 1:55 p.m.
Toyon Room

<u>Item</u>	<u>Discussion</u>
1. Minutes: November 3, 2009	Minutes approved as written M/S/C, (Ragey, Schultz) Feedback regarding the non-accredited institution credit statement from the Catalog. Most were surprised. Most areas did not agree with the statement in the Catalog. There was a question regarding apprenticeship credit and it was made clear that apprenticeship has an agreement in place, similar to a prerequisite waiver and therefore this is a non-issue for that area. The non-accredited statement in the catalog item will be of the next agenda for action.
2. Stand Alone Applications Approval	Speaker: Carolyn Holcroft An additional 176 were turned in with the extension of the due date. M/S/C, (O'Neal/Ragey) approve the applications as submitted.
3. GE Applications	Speaker: Carolyn Holcroft Suggested that this time be used for the sub-committees to review those GE applications that have been turned in. If there are some that have not turned in applications due to time constraints, we will extend the deadline another week.
