

Dear **Student Activities** Program Review Author:

Thank you for your time and effort in completing the Comprehensive Program Review this year. Your work contributes to the College's effort to seek ways to constantly improve on behalf of students.

Strengths

PRC finds that this program review is significantly improved compared the previous year, which shows a positive response to the previously voiced concerns.

Suggestions for Improvement

Given the "overrepresentation of international students," noted in the program review, the PRC suggests a survey / focus groups / or other methods of assessing student need and to find ways to reach and serve a much broader population. This would be in addition to the CCSSE.

Recommendation – **Green**

The program is recommended to continue in the regular program review cycle.
