ASFC Budget Message

**Fiscal Year
2011-2012**

ASSOCIATED STUDENTS OF FOOTHILL COLLEGE

On March 10, 2011, the Associated Students of Foothill College Campus Council unanimously approved the budget for the fiscal year 2011-2012. Early in April, we were informed of the severe budget cuts facing Foothill College in the 2011-12 academic year and the anticipated cuts to vital programs. As a result of this new information, we made some major adjustments to our budget and re-approved it on April 14, 2011.

This year's budget development process was different than any other year. As the statewide budget cuts loom, much uncertainty has surrounded the condition of Foothill College in the upcoming year. With that being said, our approach was much more conservative than in recent years. We economized on all of our operational expenses and reduced all line items in order to provide funding for classified staff positions in the Student Activities/Affairs program. Despite these additions to our budget we were still able to assist in funding some important college services that would otherwise not have been funded due to the state budget crisis. Additionally, we decided to utilize a large portion of our Fund Balance to provide important services to Foothill students. In the end, we received a total of 41 budget proposals and were able to partially fund most of the requests.

The manner in which ASFC provides funding to the campus community is based on our mission-based vision & goals, which are approved and adopted by members of ASFC every year. On November 18th, 2010, our mission-based guidelines were adopted for the fiscal year 2011-12. Our deliberation process occurs during winter quarter after all requests have been received and reviewed. This year, the budget development process went smoothly thanks to the collaborative work done by the budget team. The budget development team did their best to allocate the funds necessary to the programs that met the ASFC Mission, Vision & Goals.

The new goals for next year focus on four things: make fiscal decisions with the current state of the economy on our minds without compromising student success, increase lobbying efforts, promote communication between ASFC Student Government and the community it represents; promote activities and programs aimed at improving the Foothill experience for students.

We would like to take the opportunity to thank Patricia Hyland, Dean of Student Affairs and Activities and Daphne Small, Director of Student Activities for their commitment, advice, and experience with the budget process. We would also like to express great appreciation to Sirisha Pingali, Student Accounts Manager, the Student Accounts staff for their up-to-date financial information and dedication in preparing the final budget booklet. Furthermore, we would like to acknowledge the work done by Jason Ma, Vice President of Finance, Jason Wimp, Business Operations Manager, Joseline Diaz, ASFC OwlCard Benefits Coordinator, and the students-at-large, William Lamping, Joseph Otayde, and Marie-Claude Ndoutoume, on the Budget Development team for their invaluable input and tireless work in developing all aspects of next year's budget.

We are now proud to present to you the Associated Students of Foothill College Budget for the fiscal year 2011-12.

Sincerely,

Gustavo Okamura
ASFC President

5. The funds are to be used to promote and enhance governance and conduct of student business.
6. Membership dues for state and national organizations that will allow regional and national student representation will come from the Student Representation Fee – a voluntary fee collected quarterly from the student body-at-large.

29. The funds shall be made available contingent upon all participants purchasing the student body card.

34. ASFC receives interest on the fund balance that is placed in a trust account, which is invested in the Santa Clara County Treasury Trust, in accordance with the Government Code sections 16305-16305.7. The California Education Code (section 76063) titled Deposit of Investment of Student Funds allows for student organizations to participate in such investments. Further information regarding the management and portfolio of the Santa Clara County Treasury Trust can be obtained from the Controller-Treasurer Department of the Finance Agency in the County of Santa Clara.
35. At the end of the ASFC fiscal year (June 30th) all unused funds in budget line items and unallocated reserves are considered a net surplus and are placed into the ASFC fund balance and/or transferred to special project.
36. ASFC has budgeted 7.0% of the projected income to an unallocated reserve line item.
