On March 15, 2018 the Associated Students of Foothill College Campus Council approved the budget for the Fiscal year 2018-2019.

The goal of ASFC is to allocate funds intelligently and thoughtfully so that Foothill College students can receive quality services, support programs and engaging events. We hope that our efforts translate into the cultivation of a welcoming atmosphere and a positive learning environment. The manner in which ASFC provides funding to the campus community is based on our mission-based vision & goals, which are approved and adopted by members of ASFC every year. The allocation of funds was discussed with these goals in mind.

In light of the anticipated college budget challenges in the upcoming academic year, we have set aside a special reserve fund: Student Services Support Reserve, in the amount of \$75,000. We are firmly committed to preserving important student services for Foothill students during these difficult budget times. This allows us to continue to spend down a portion of our Fund Balance while helping to support college programs and services that may be impacted by budget reductions.

The budget development process went smoothly thanks to the collaborative work done by the budget team.

ASFC Mission Based Budgeting Guidelines

For Fiscal Year 2018-2019

Mission:

The purpose and mission of the Associated Students of Foothill College organization is to represent and serve the students of Foothill College. We strive to establish a unified community that advocates for students of all demographics associated with Foothill College.

Vision:

We, as the ASFC Finance Board, endeavor to uphold our established values of integrity and fiscal responsibility, while remaining steadfast in advocating for student interests and wellbeing. Our vision is to fund services, activities, events, and beyond that promote student success, achievement, and growth.

Goals:

In addition to the District and Foothill College Missions, the Associated Students of Foothill College will be looking to their own mission and the following goals in the development and implementation of the 2018-2019 Associated Student Budget.

We have three categories of goals: A) goals that pertain directly to student interests and success, B) goals that pertain to campus life for students, and C) goals that liaise between the two.

A)

- Financially support student and educational resources for individuals who are economically disadvantaged, underrepresented, have special needs, or lack of access to the Foothill College main campus.
- Promote student involvement in all areas of campus life by funding activities and campus organizations that foster political awareness, exposure to new ideas and perspectives that create opportunities for leadership, service, advocacy and personal development.
- Consider the needs of online students, evening students, non-traditional students, and provide services to meet growing needs of distance learners and Sunnyvale Campus students.
- Continue to advocate for student athletes through the funding of tournaments, postseason play, and referee fees.
- Continue development of the Campus Center as a resource for students.
- Encourage opportunities to increase revenue generation via student and campus initiatives through fundraising.
- Remain committed to maintaining vital student services during difficult economic times.

B)

- Financially support the effort to increase cultural awareness, mental health, and equity on campus through the health & heritage month series and additional diversity programs.

Notes and Stipulations**

2018 - 2019**

ASFC Budget Notes For Fiscal Year 2018-2019

1. A general stipulation pertaining to all income generating programs: If the income target for a particular fiscal year is met, the surplus of income, upon request and approval of ASFC Campus Council, can be utilized as the program sees fit.
2. ASFC has budgeted 7.9 % of the projected income to an unallocated reserve line item. This account is primarily used for sports championships and unforeseen fund request that are provided and or not provided for in existing line items. Once a student organized event or program has established itself (typically 3 years) a new line item will be considered during the next budget development process.
3. The OwlCard Income projection is derived using projected enrollment figures and previous years' student identification card sales based on the \$10 per quarter student body fee.
4. ASFC receives interest on the fund balance that is placed in a trust account, which is invested in the Santa Clara County Treasury Trust, in accordance with the Government Code sections 16305-16305.7. The California Education Code (section 76063) titled Deposit of Investment of Student Funds allows for student organizations to participate in such investments. Further information regarding the management and portfolio of the Santa Clara County Treasury Trust can be obtained from the Controller-Treasurer Department of the Finance Agency in the County of Santa Clara.
5. \$200 Annual Grant Funds and \$50 Seed Funds. Please refer to the Inter Club Council.
6. \$500 Special Activities Funds. Please refer to the Inter Club Council.
7. \$1000 Organization Project Funds. Please refer to the Inter Club Council.
8. These funds will provide leadership development opportunities for students who cannot be supported by the Student Representation Fee.

9. Will be utilized on major special projects which may arise in the upcoming years.

10. Membership dues for state and national organizations that will allow regional and national student representation will come from the Student Representation Fee – a voluntary fee collected quarterly from the student body at large.

11. We are creating a Student Services Support Reserves of \$75,000 from our Fund Balance, as advised by the Board. We are creating this fund in solidarity with the campus and in line with the budget reduction principle of students first. This fund is intended for use similar to Unallocated Reserves, however, intended use for larger requests and to help spare programs and services that might otherwise be cut while also protecting the rest of the budget. This fund is being created to help ease the school's three-year transition to a lower budget, and we suggest this line item be adjusted to \$50,000 next year, \$25,000 the next, and then absolved.

ASFC Budget Stipulations For Fiscal Year 2018-2019

5. This allocation is intended to promote the cultural diversity and awareness by partially funding the campus community programming for the heritage celebrations and other diversity programs.
6. This program is funded for the academic year, thus the support of all men's and women's athletic programs during the academic year is required. Participants are required to sign a memorandum of understanding to participate in the program for a full year. 11. These funds are to be used for officials and/or entry fees only.
12. Each student is required to present a written report to Campus Council two weeks following the experience.

13. The funding of this program is contingent upon OwlCard holders receiving a 100% reduction in the basic fee and services provided. These services shall be limited to current OwlCard holders. A list of students who are served must be submitted to Student Accounts for reimbursement.
14. The funds shall be made available contingent upon all participants purchasing the student body card.
15. Each event must take place on campus and be open to all students of Foothill College. The activity must be in accordance with ASFC Visions and Goals, Organizations Board Bylaws and procedures, and the club constitution.
